

TRIBUTE TO RANGEVIEW HIGH
SCHOOL CYBERPATRIOT TEAM

HON. MIKE COFFMAN

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 30, 2014

Mr. COFFMAN. Mr. Speaker, I rise today to recognize Savannah Clemente, Jacob Johnson, Lucas Nicodemus, Luke Robinson, Nathan Teeter, and LeeAnn Wilson of Aurora, Colorado. Colorado was well represented by these Rangeview High School students at the 2014 CyberPatriot Competition National Finals in National Harbor, Maryland.

CyberPatriot is the premier national youth cyber defense competition that teaches high school and middle school students about cyber-safety and how to defend computer systems against cyberattack. It also teaches students about internships and careers in cyber-security and other opportunities in science, technology, engineering, and mathematics.

The Rangeview High School CyberPatriot team distinguished itself from the rest of the competing teams by demonstrating outstanding skills in three rigorous rounds of competition against their peers. Out of 1,500 competing teams, only 28 made it to the final competition where national championship trophies and scholarships were awarded. The Rangeview team won First Place in the Digital Crime Scene Challenge sponsored by the U.S. Cyber Crime Conference.

The Rangeview High School CyberPatriot students will undoubtedly go on to serve as innovative leaders in our country. Their fierce dedication to the STEM disciplines is critical to our nation's future. Mr. Speaker, it is an honor to recognize the Rangeview High School CyberPatriot students for their achievement of competing in the 2014 CyberPatriot Competition National Finals.

IN RECOGNITION OF DR. JULIET V.
GARCÍA

HON. FILEMON VELA

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 30, 2014

Mr. VELA. Mr. Speaker, I rise today to recognize Dr. Juliet V. García president of the University of Texas at Brownsville (UTB). Dr. García was recently named by CNN Money/Fortune as one of the World's 50 Greatest Leaders—a list which includes Pope Francis, German Chancellor Angela Merkel, Bono, and the Dalai Lama. Her leadership skills are an asset to Brownsville and South Texas.

Dr. García began her tenure as president of UTB in January 1992. Previously, she served as president of Texas Southmost College and was the first Mexican-American woman to become president of a college or university in the United States.

During Dr. García's tenure, she has relentlessly advocated for increasing access to higher education in South Texas, which is reflected in UTB's enrollment statistics. The UTB student body is 91% Hispanic and 71% are first-generation college students.

UTB has experienced tremendous growth under Dr. García's leadership. The school's budget has increased from \$31.4 million to

\$145 million, classroom space has quadrupled and many new buildings have been constructed including: a library, a life and health sciences building, a student union, an education and business building, an early childhood learning center, a recreation center, a performing arts center, and two biomedical research buildings.

Currently, Dr. García is guiding UTB through a merger with the University of Texas-Pan American to create the University of Texas-Rio Grande Valley. Importantly, the new university, which will include a medical school, will have access to state oil and gas royalties through the permanent university fund.

Mr. Speaker, I thank you for the opportunity to honor Dr. Juliet V. García, and I appreciate you joining me in recognizing her commitment to higher education.

RECOGNIZING THE 2013-2014 UNI-
VERSITY OF NOTRE DAME WOM-
EN'S BASKETBALL TEAM

HON. JACKIE WALORSKI

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 30, 2014

Mrs. WALORSKI. Mr. Speaker, today I rise to congratulate the 2013–2014 University of Notre Dame Lady Irish Women's Basketball team on their perfect regular season and exciting NCAA tournament run. The team finished the regular season with an unbeaten record of 29–0 and finished the post season winning the Atlantic Coast Conference tournament, as well as competing in their third straight NCAA National Championship game.

The Lady Irish were led by their head coach, Muffett McGraw and senior captains Kayla McBride, Natalie Achonwa, and Ariel Braker. These outstanding players led their team to 37 consecutive victories, the university's first ever regular season, the Atlantic Coast Conference tournament Championships, and a third consecutive National Championship game appearance. Altogether, the Lady Irish finished their first season in the ACC, the same way it ended its time in the Big East, with another dominating conference title.

In addition, the Irish earned several prestigious individual conference and national honors. Along with the 37 game winning streak, Conference Championship, and Final Four appearance, Coach McGraw earned a sweep of the AP, Naismith, Pat Summit, and US Basketball Writers Association for Coach of the Year awards. Along with Coach McGraw's amazing accomplishment, the team had three AP All-American's with Seniors Kayla McBride and Natalie Achonwa and Sophomore Jewell Loyd. The team also won numerous Atlantic Coast Conference awards including: Coach of the Year (Coach McGraw), Player of the Year, (Kayla McBride) and ACC tournament MVP (Jewell Loyd). Along with those ACC awards McBride, Loyd, and Achonwa each earned all-conference honors as well. The hard work and dedication by the players and coaches showed in both the individual awards and their dominating run to the National Championship game. This team will be one that is remembered forever in university history for years to come.

As a former basketball player and Representative of Notre Dame, it is my honor to

recognize the hard work and success of the 2013–2014 Lady Irish Basketball team. The dedication, selflessness, and sportsmanship these student athletes display is a model for young Hoosiers throughout Indiana. On behalf of Indiana's Second Congressional District, I am proud to recognize the University of Notre Dame Lady Irish's perfect regular season and amazing tournament run and wish them continued future success.

MERITORIOUS SERVICE CITATION
FOR MG WILLIAM E. RAPP

HON. HOWARD P. "BUCK" McKEON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 30, 2014

Mr. McKEON. Mr. Speaker, I rise today to honor Major General William E. Rapp.

Major General Rapp distinguished himself through exceptionally meritorious service from 1 August 2012 to 1 June 2014, while serving as the Chief of Army Legislative Liaison. During this period of extraordinary change, continued combat operations in Afghanistan, and significant fiscal constraints and challenges facing the Army, Major General Rapp implemented and fostered a significantly improved strategic partnership with the 113th Congress. He clearly understood the importance of Congressional oversight and spearheaded the execution of an Army strategy to enhance Congressional trust and confidence in Army programs, policies and operations. Major General Rapp did a truly outstanding job in dealing with some of the most complex issues the Army faced during the last two legislative cycles with unparalleled results, enabling the Army to receive the necessary authorities and resources to support combat operations, sustain the all-volunteer force and maintain the quality of life for Soldiers, their Families and Army Civilians. Major General Rapp's outstanding leadership, strategic vision, and keen judgment are in keeping with the finest traditions of military service and reflect great credit upon him, the Office of the Army Legislative Liaison and the United States Army.
